In Memorium

MOSES: In loving memory of my beloved husband, Leonard Moses, who left me nine years ago today, January 15, 1966.
To some you may be forgotten,
To others a part of the past.
But to me who loved and lost you —
Your memory will always last.
Missed by your devoted, Irvin 1-8-1p

In memory of our son and brother, Larry Houston Johnson who left us ten years ago, January 10, 1965.
Larry it's been ten years since you left us, but so often in our loneness we can't hold back the tears
No morning dawn, no night return that we don't think of you.
Those left behind are dear, but none can replace you -
There's an open gate at the end of the road through which each must go alone -
There's a light we cannot see, our Father claims his own.
Missed by father, mother, sister and brother 1-9-1p

Baker - In loving memory of my husband, our daddy and big daddy. H. Dillard Baker, who died January 6, 1963.
The death of sorrow we cannot tell
of the loss of one we loved so well
and while they sleep a peaceful sleep
Their memory we shall always keep
Sadly missed by wife, children and grandchildren 1-9-1p

In memory of Alvah Mertice Richardson who passed away, January 13, 1966

Out of the pain of night-watching removed,
Into the steep that God gives His beloved,
Into the dawn of a glad resurrection,
Into the house of unbroken affection,
Into the joy of her Lord... thence confessing
Death in disguise is His angel in blessing
Sadly missed by son and wife, Charles and Rachel, and granddaughter, Nancy. 1-9-1p

In loving memory of James Goin on his birthday, January 10, 1975.
No morning dawns,
No night's return,
But that I think of you.

Those left behind are very good
But none replaces you.
Many a silent tear is shed when
I am all alone.
The one I love so very much
The one I called my own.
Sadly missed by wife Marion 1-9-1t

Chamber Supports Energy Conservation

The Travel Development Committee, a 70 member advisory body of the Virginia State Chamber of Commerce, has passed a resolution supporting the conservation of energy, particularly motor fuels, at the same time pledging to oppose any regulatory program which discriminates against one segment of the American economy. The Travel Committee has sent the resolution to the State Chamber's Board of Directors, requesting that it be adopted as a part of the organization's policy. The board will act on the recommendation January 10.
The committee resolution notes that tourism is Virginia's second largest industry at the retail level, and is a significant contributor to the nation's economy. The committee felt that the needs of the travel industry must be kept in mind when energy programs are formulated. While the committee did not ask for special consideration for travel, they did want the industry to be considered on an equal footing with other sectors of the state and national economy.
Perhaps the most important point in the committee's recommendation is support of a national program to fully educate Americans of the ways in which they can reduce the consumption of energy to acceptable levels.

FULL SCALE 40"
ALL WITH WORLD FAMOUS WURLITZER TONE

Now You Can Give Your Child the Benefits of Music for Less Than You've Ever Imagined

A child at the piano develops independence and self-confidence. He learns discipline, concentration, poise and pride of accomplishment . . . qualities which can lead to success in many other fields as well as music. In tone and durability, this Wurlitzer piano offers a quality far exceeding what you would expect at this price . . . a truly great investment for the family that knows and appreciates excellence. Think about it now. Then ask yourself if you can afford to deprive your child of the benefits that learning to play the piano offers.
